City of San Diego

My name is Carol Hartson Jensen and I am a second generation San Diegan. I was one of the lucky juniors who learned how to play golf at Presidio Hills Golf Course in 1952 from Al Abrego. My brother, Michael Hartson, and many friends were part of a large group of juniors who took lessons and played in junior tournaments at Presidio. This led to the success of many of us in junior golf and beyond.

I urge the City of San Diego to award the Friends of Presidio Golf the RFP to restore and maintain the historic and important Presidio Hills Golf Course to its former glory. Old Town is such an important site for San Diego and this golf course should be returned to a place where children can once again be introduced to golf and where families can enjoy the unique opportunity it presents.

Thank you for your consideration.
