To the City of San Diego--

On behalf of the Friends of Presidio Hills Golf group
I would like to fully endorse their efforts to once again
make the Presidio Hills Golf Course a fully operational &
historic golf complex-

As a life long golfer who was introduced to the game
as a 6 year old at Presidio Hills--I along with
other fortunate children of the 1950's learned many
valuable life lessons at the facility--

Over the past dozen years many of my peers each fall have met at Presidio Hills
to recall our "golf days" in the early years of our lives & have been
able to reminisce about the incredible history and opportunities
that the golf course has offered--

Unfortunately (especially the last few years) the course
has become a "eye sore" rather than a welcoming golf
experience--

Under the Abrego family's stewardship-- the course has given many
many (young & old) San Diegans a chance to learn-enjoy & appreciate the
game of golf --not to mention grooming some of the world's
most famous golfers while hosting Junior World Tournaments--

Please do the right thing--& work with the Friends of Presidio
Hills Golf--in returning this city treasure back to its original & charming condition--
