To: The city of San Diego  
RE: Presidio Hills Golf Course

We have lived in Mission Hills since 1977. We have three children who have played at Presidio Golf Course from a young age ( they are adults now with their own families).

This wonderful golf course is an important part of San Diego. it provides a positive experience for many young and old- beginner and advanced golfers.

This golf course has a history of many pro golfers who played on this course at a young age, and if restored it will continue to promote champion and recreational golfers.

Our city has an obligation to preserve this historic site for the enjoyment of all in the future.

I hope that you will seriously recognize how important this project is and help preserve Presidio Golf Course for many generations to come.

We only improve our city when we preserve the special areas that are used by so many.

Thank you for helping to make this happen,  
Nelly Dean
